From the Lt. Governor Marketing—Sunny Faronbi CC, ALS

We accomplished a lot as a district last year. And it's good for us to take a moment and bask in the glory of those accomplishments. As we do that, we also remember that it's the dawn of a new day; it's a new Toastmasters year. All the counters have been reset. All DCP points have been taken away to be archived as part of each club's history. Every club and district in the Toastmasters world is back to the starting point. We begin afresh.

As we start this new Toastmasters year, it will take the collective efforts of each one of us in District 24 to ensure that our district is successful again. Last year, we experienced tremendous success in my home club because of the collaboration of club officers and members alike. You probably have a similar experience from your clubs. Collaboration is something that District 24 Toastmasters do very well. And I'm certain you won't disappoint this year.

When we come together as one, great things happen. The whole is greater than the sum of the parts because of the synergistic power that collaboration brings. We are more valuable as a team. And as team members, each one of us have the responsibility to bring out the best in one another. It was Henry Ford who said, "If everyone is moving forward together, then success takes care of itself." This year, we all need to move forward in the same direction to

ensure our district's success. The areas we build success involves ensuring that our clubs have quality meetings, which in turn builds membership and results in club growth.

This year, I ask that each one of you be your brother's (and sister's) keeper. Let's help one another to achieve goals that can be attained only when we work together as a team. One tree does not make a forest. And this is the reason each one of us is needed to help our district attain President's Distinguished status this year. As opportunities come up, I will be calling on you to help me in the twin areas of building new clubs, and rebuilding/strengthening existing clubs. I ask that you step forward to help us identify leads for potential new clubs. Sign up to be club sponsors and mentors as we try to start our new clubs with strong foundations for future successes. We will also need club coaches to help strengthen some of our clubs that need help.

I look forward to serving you as the district's Lieutenant Governor Marketing over the next 12 months. With every hand in District 24 on deck, I'm certain that we can accomplish great things together.

Parliamentary Procedure: When the Chair Can't Be There

- When you are the chair of a meeting, there are certain guidelines for presiding over the meeting.
- You must open the meeting on time and make sure a quorum is present
- You must follow an agreed-upon order to keep the meeting moving on schedule
- You must make sure all members of the assembly (meeting) are heard
- You must determine what the majority desires by vote and make sure all present are aware of the results
- You must not let the discussions get derailed and maintain order of the assembly
- You may vote because you are a member of the assembly—but there are restrictions.
- You must carry out the wishes of the assembly and be impartial
- You must be present

It is this last item that I would like to focus on. What happens when you can't be there? If for any reason the chair is not there, who should take over? There are several choices. The next senior officer is the most likely person to run the meeting in the chair's absence. One of the quirks of the parliamentary rules is that the chair should not plan to be absent and appoint someone as a replacement—unless the group approves. So what happens if there is no chairperson and no other officer present? The secretary is appointed to take the lead and facilitate the election of a temporary chair. This same process is followed if the chairperson feels that they cannot be impartial or want to actively debate or discuss an issue.

This process does not apply to the District Parliamentarian. The District Parliamentarian serves at the discretion of the District Governor. As your outgoing District Parliamentarian (a member of the district who had the pleasure to learn how to use parliamentary procedure in district meetings), it is my honor to turn over my duties to Jonathan Gardner who will continue this effort in this new Toastmaster Year. **George Volz, DTM**

Happy Birthday Toast of the Town!

By Angela Peterson ACS, ALB

Dell Services - Toast of the Town celebrated the end of their 2nd year on June 27th. The 2012-2013 Trio came to help celebrate, and they brought lunch. Toastmaster Denise Masek led the club through a full agenda, which included thanking the outgoing officers, inducting the new officers, recognizing the many educational accomplishments for the year,

and inducting our newest members. A year end celebration wouldn't be complete without a Roast of the outgoing president (Awww... I want to be just like her..."), a Toast to the club, and a Vision for the upcoming year.

Happy New Year Southeast Toasters!

By Jonathan Gardner, ACB, ALB

Last year, Maria Schinstock came to Southeast Toasters' first annual New Year's Eve party in honor of the new Toastmasters year. This year, she was the organizer and Toastmaster for the second New Year's Eve holiday party. Guests came from as far away as Grand Island as 28 people attended the luau-themed event, complete with a luau buffet and decorations. Speeches included a "poetic" icebreaker by club treasurer Bob Ryan and an "abstract concept" speech by the outgoing club president, Jonathan Gardner. Club secretary John Coffey led a TableTopics™ session based on travels to Hawaii. District Governor Sheri Wells-Chesley, Lieutenant Governor Shellie Pointer, Division Governor Linda Wilson, and Area C22 Governor Brenda Alles were all in attendance. As it did last year, the meeting provided a prime opportunity to celebrate Southeast Toasters and invite guests to see what makes Toastmasters so special. Let's start the new year right!

District 24 Officer Training—Ice Breakers

On June 21-22 District 24's new officers had training to prepare them for the new year. To start off the weekend all of the officers gave an ice breaker to emphasize District 24's vision: Where Leaders are Made.

Toastmasters International is a world leader in communication and leadership development. Our membership is 270,000 strong. These members improve their speaking and leadership skills by attending one of the 13,000 clubs that make up our global network of meeting locations.

Toastmasters International is comprised of 14 regions which are further divided into nearly 90 Districts. District 24 is part of Region IV, which includes the U.S. states of Iowa, Minnesota, Montana, Nebraska, North Dakota and South Dakota as well as the Canadian provinces of Alberta, Ontario, Manitoba, and Saskatchewan. The boundary of District 24 is as follows: The State of Nebraska, less the western panhandle area, which starts at the western boundary of Keith County and follows north along the western boundaries of Arthur, Grant, and Cherry Counties ending at the South Dakota border, plus the western portion of Pottawattamie County, west of Highway 59, less Dakota County in Nebraska.

Membership in Toastmasters is one of the greatest investments you can make in yourself. At \$36 every six months, it is also one of the most cost-effective skill-building tools available anywhere.

How Does It Work?

A Toastmasters meeting is a learn-by-doing workshop in which participants hone their speaking and leadership skills in a no-pressure atmosphere.

There is no instructor in a Toastmasters meeting. Instead, members evaluate one another's presentations. This feedback process is a key part of the program's success.

Meeting participants also give impromptu talks on assigned topics, conduct meetings and develop skills related to timekeeping, grammar and parliamentary procedure.
